OLYMPIC INCLINE PRESS

CF2152

Our CF2152 Olympic Incline Bench is a commercial Olympic bench made for club use. The sleek futuristic design comes in black or silver and is extremely heavy duty and can hold over 1000lbs in total. The bar hooks are made of an extremely durable polyurethane material and made to last. The bench's E wide design also provides maximum stability.

Our CF2152 Olympic Incline Bench features rubber feet on its base, which protects user's floors from becoming damaged. This bench includes a powder coat finish and polyurethane bar holder protectors, making it durable and abrasion resistant. Polyurethane is also supreme due to its resistance to weathering, chemical rotting, shock, and corrosion.
