

ELITE SERIES

# HACK SQUAT

CF2175

The Elite Series Hack Squat combines elegant aesthetics with a robust, heavy-duty frame. The 45-degree angle allows users to add a massive load to the weight load, while the dual safety spotting points give the machine extra safety. The carriage sits on a 50m guide rods with a full line of linear bearings for maximum smoothness and comfort.

**Dimensions**  
64" x 80" x 55"

**Weight**  
470lb
