

FREE WEIGHT PACKAGE

DB-BENCH-PCK

Our Free Weight Package is great for anyone looking to start building their home or garage gym space. This package is also ideal for users who do not have much space to allocate to their fitness area. Included in this package is the 5-50lb rubber hex dumbbells on our commercial 52"x20"x35" G241 3 tier dumbbell rack. The rack and bench can easily fit in the corner of a room, the side of a garage, or on a backyard patio, making it one of our most versatile packages for even the smallest

spaces. The 5-50lb dumbbells provide a wide range of weights to work with, and the adjustable bench allows for countless exercises, including chest & shoulder presses, lat rows, triceps extensions, dumbbell bench presses, ab workouts, and step-up lunges, among others. The size of this equipment allows it to fit in diverse room types while also helping you achieve rewarding exercises. The space needed for this package is approximately 6'x6' or 36sqft.
